What is a Custom Tablecloth | Table Throw?

A custom tablecloth | table throw with your brand logo and a personalized message is a powerful marketing weapon to draw the attention of your prospective audience at trade shows, exhibitions, and other B2B/B2C events. You can design your own customized table cover cloth, either pick a template from our vast range or give us your artwork, and we'll print the way you want on your tablecloth.

These fair trade tablecloths | table throws are a great attention-grabber because of the advanced dye sublimation process on the Polyester Fabric to deliver the most pleasing finish. We have the standard three-side and four-side options, available in varied size options.

These brand-customized tablecloths | table throws have an uncanny ability to transform a simple table into an advertisement board, which often doesn't annoy anyone. They are washable & reusable for many events.

With graphic print on all three or four-sides, you can make your brand stand out at an upcoming event with our bespoke table cover cloth.

Salient Features of this Custom Printed Stretch Table Covers

- **Quick & Easy Branding**
 - Be it a fundraising event or an industry trade show; our tablecloths let you quickly brand your products/services while illustrating your company's true professionalism towards the guests. In a nutshell, your potential clients will take note of the tablecloth, without actually knowing that the tablecloth is placed for the branding purpose.
- **All-Side Printing**
 - We have two options when it comes to printing. You can either go with three-side print with back vacant or four-sided print. It's up to you to decide which one is right for you. If your table is visible from all four sides, then the latter is the preferred choice, to show your brand at all angles.
