PHC20

Sport ENC Open Ear Headphone

Premium Sound Quality: High-quality stereo sound with up to 70mW power output for Immersive music experience
 Versatile Sound Modes: Immersive Deep Bass and Three EQ modes for personalized audio
 Low-Latency Gaming Mode: Supports low-latency gaming for a seamless gaming experience
 Dual Device Connectivity: Ability to connect to two devices simultaneously
 Fast Charging: Utilizes cutting-edge 3C fast charging technology, allowing a full charge in just 30 minutes
 Impressive Battery Life: 13-Hour Super Long Battery Life, 200mAh Battery Capacity
 Clear Communication: Features ENC for clear and enjoyable conversations
 IP Rating: IP67 waterproof and dustproof
 Comfortable for Sports: Designed for some activities like running

- ENC Tech Crystal Clear Calls
- Long Battery Life: 13h
- Game Mode
- IP67 Waterproof Sweatproof and Dustproof

BC1

Bone Conduction Headphone

Deep Bass Sound & Type C Fast Charging
Driver Size: 18mm
Battery: 160mAh
Play Time: 6H (at 70% volume)
Standby Time: ≥ 200H
IP Rating: IPX5 Waterproof and Sweatproof
Designed to Endure 360° Bending Without Compromising Their Shape or Performance

- Health & Hygienic
- ENC Tech Crystal Clear Calls
- Light Weight
- Sweatproof
- High Sound Quality

Button Control V5.3

BC2

Bone Conduction Headphone

Open-Ear Safe & Healthy
Type C Fast Charging
Bluetooth V5.3
Driver Unit: 18mm
Battery: 250 mAh
Play Time: 6 - 8 hrs
Standby Time: ≥ 200H
IP Rating: IPX4 Waterproof and Sweatproof

- Health & Hygienic
- Light Weight
- Sweatproof
- High Sound Quality

ABOUT PACROT

Shenzhen Pacrot Co., Ltd., a subsidiary of GPO Group, is a leading provider of cutting-edge audio solutions. With a focus on innovation and quality, we offer a diverse range of products, including TWS earbuds, gaming earbuds, Bluetooth headphones, Bluetooth Speakers, and more.

Headquartered in Shenzhen, China, Pacrot combines expertise and resources to deliver unparalleled audio experiences to our global customers. As part of the GPO Group, we benefit from a strong network and stay at the forefront of technological advancements.

Driven by our commitment to excellence, we have established strong partnerships with global brands. Our integrated approach, covering research, design, and manufacturing, allows us to provide tailor-made audio solutions that exceed customer expectations.

Join us as we shape the future of audio technology and create extraordinary sound experiences. Together, we can unlock the full potential of audio innovation.
