## Packaging Dimension

Inner	Carton
245mmL x 128mmW x 88mmH	460mmL x 266mmW x 265mmH

### Intended Application

Cranberry RevoSoft® CT Nitrile Powder Free Exam Gloves is a disposable glove product that is only applicable for examination, medical treatments, and handling contaminated medical devices to prevent cross contamination between users and patients, and not suitable for surgical use.

### Handling and Storage

Store in a dry place at room temperature. Exposed product should be shielded from direct sunlight, intense artificial light, x-ray machines and other sources of ozone.

### Hazard Identification

If allergic reaction occurs, discontinue use immediately and consult a physician. This product is not made with natural rubber latex.
