design is free of zips and clips, making it easier to search for the specific card you are looking for

- **360 POCKETS FOR CARDS** - *Our card binders have a total of 360 pockets, which comprise 9 pockets per page. The pockets have a thickness of 200-micron, with a built-in layer of padding between each page to keep the cards in a pristine condition*
- **ORGANIZE YOUR COLLECTION** - *The collector card binder is much better than a deck box because it lets you see all your cards simultaneously. It's compatible with most TCG and CCG games, such as Pokémon, Yu-Gi-Oh, Final Fantasy, etc*
- **IDEAL GIFT FOR CARD COLLECTORS** - *Binder for cards is a versatile storage option for any collection. It makes the perfect gift option for anyone who enjoys collecting cards, be it basketball, baseball, NFL, or Pokémon cards*

Remove the screws to make a two-step stool

Grows with the child
Remove top as a two-step stool
Suitable for kids & adults

Suitable for kids & adults

- **SAFETY AND ANTI TOPPLING:** The "A" stable seat structure disperses the baby's shaking force, and the attached anti-skid pad can reduce the floor wear, and can also firmly grasp the floor to keep the chair stable.
- **HIGH QUALITY AND DURABLE:** The parts of the stool are closely included to ensure safety from every detail.
- **CUSTOM MADE:** The perfect size after strict investigation can raise 18 months to 3 years old toddlers to the height of counter or sink.
- **ACCOMPANY GROWTH:** Children in the kitchen can stand on the stool to help their parents cook or get snacks. In the bathroom, Kids can wash their hands and face by themselves to cultivate their independence.
- **MULTIFUNCTIONAL USE:** The whole solid wood structure of the stool can be used for standing and sitting.

ADDITIONAL INFORMATION

This POWIFY mosquito zapper is a high-efficiency device that is designed to kill bugs around you without any harm to the environment and surroundings. It functions on 20W UV lights and an 4300V electrified grid. The blue light attracts mosquitoes, bugs day or night, and eliminates them by the electric internal grid. The device is waterproof and weatherproof, and that's why you can use the mosquito trap both indoors and outdoors. High-voltage grid, safety lattice, economical lamp, and 6.3 foot cable- it's all about the bug zapper indoor and outdoor use.

- **4300V HIGH POWERED:** *The mosquito killer uses a 365nm ultraviolet lamp to attract mosquitoes and flying insects and the internal 4300V power grid will immediately electrocute the mosquitoes and flying insects.*
- **SAFE FOR HUMANS AND PETS:** *Non-irritating odor, non-toxic and harmless to humans. 0.24" pitch ABS plastic housing to prevent electric shock to pets and children. Waterproof housing makes it can be used outdoor all year round.*
- **WIDER DEFENSE RANGE:** *With the enhanced version of the 20W UV lamp, the coverage has been greatly increased to 860 sq ft. It can be used in balconies, gardens, hotels, camping, enclosed courtyards, courtyards, and other places.*
- **THE BEST USE WAYS:** *6.3ft's power cord makes it easier to plug into an outlet, hang the bug zapper with a handy loop, or use a sturdy base to stand on a flat surface. Please note that it will be better to use it in a relatively dark environment.*
- **EASY TO CLEAN:** *Our mosquito zapper has a hidden tray for the dead flies in the bottom of the device. To clean it up, just simply remove the tray and clean it up with a brush or flush with water.*
